Chairwoman Kathleen Gaylord  
Dakota County  
1590 Highway 55  
Hastings, MN 55033

Dear Chairwoman Kathleen Gaylord:

We send this letter pursuant to Minn. Stat. Sect. 466.05 to provide notice of the claim by our client, Jennie Loeffler, against the Dakota County and its employee(s).

On or about April 17, 2013, Ms. Loeffler learned from the Minnesota Department of Public Safety ("DPS") that law-enforcement personnel from several different entities had viewed her private, personal driver's license information in the last 10 years. There was no legitimate permissible purpose or reason for all these law-enforcement personnel to invade her privacy.

Personnel from the Dakota County were apparently among those who viewed her private, personal information. According to DPS, Dakota County personnel accessed our client's information on at least 3 occasion(s). It is our understanding that the name of the individual(s) who accessed this private information would not be produced under the Minnesota Government Data Practice Act before commencing litigation. Thus, at this time, we do not know the name of the Dakota County employee(s) who violated our client's rights. Please inform us immediately with a detailed explanation if you believe this access was conducted for a permissible, law-enforcement related reason.

It is a violation of state and federal law to view driver's license information without a permissible law-enforcement purpose, and the Driver's Privacy Protection Act provides civil and criminal penalties for so doing. 18 U.S.C. § 2721 et seq.

Ms. Loeffler's privacy rights have been violated. At a minimum, Ms. Loeffler is entitled by federal law to a minimum of \$2,500 liquidated damages for each occurrence, plus her attorneys' fees. We believe that Dakota County personnel inappropriately accessed our client's information 3 time(s). Attached please find the DVS audit printout pertaining to Dakota County regarding the specific dates and times of the accesses. While her other damages and attorneys' fees cannot be estimated with precision, we believe she is entitled to at least \$10,000 for each occurrence.

If you are interested in resolving this matter short of litigation, please feel free to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jonathan A. Strauss', is written over a horizontal line.
